# Who did it?

- ▶ MPCA's Recycling Market Development Working Group formed in 2018 and sunsetted in November 2020.
- ▶ Paper was a priority material - formed subgroups
- ▶ Group members prepared these materials
- ▶ COVID, good prices on paper, overhaul of MPCA's website set this back from getting it completed

MULTI-USE RECYCLED COPY PAPER

**Paper with Purpose®**

The paper inside this ream was carefully crafted to meet your needs, by a company who cares about our customers and communities. Inside and out, Boise makes paper with purpose.

El papel dentro de esta resma fue cuidadosamente diseñada para satisfacer sus necesidades, por una empresa que se preocupa por nuestros clientes y comunidades. Boise hace papel con propósito.

Boise knows that a commitment to sustainability goes beyond our environmental impact. That's why we created Project UP™ – to help turn innovative and unique ideas into projects that advance the social, economic, or environmental sustainability of local communities.

Boise sabe que un compromiso de sostenibilidad va más allá de nuestro impacto ambiental. Es por eso que creamos Project UP™ – para convertir ideas únicas e innovadoras en proyectos que apoyen la sostenibilidad social, económica o ambiental de las comunidades locales.

For decades, Boise paper has been made with pride at our mills in the United States, delivering on our commitment to community, quality and service.

Durante décadas, el papel de Boise se ha hecho con orgullo en nuestros molinos, aquí en Estados Unidos, cumpliendo con nuestro compromiso con la comunidad, la calidad y el servicio.

99.99% Jam-Free® Guarantee Boise Paper delivers performance you can count on. If our 99.99% jam-free guaranteed papers cause more than one jam in 10,000 sheets in your high-speed digital equipment, Boise Paper will provide a refund up to the total purchase price of the paper involved or replace it.

Boise Paper® ofrece rendimiento con el que usted puede contar. Si nuestros papeles libres de atascos garantizados al 99.99% causan más de un atasco en 10,000 hojas en su equipo digital de alta velocidad, Boise Paper® le devolverá hasta el precio total de compra del papel involucrado o lo reemplazará.
